

HIGHER ACCESS DIVINE HEALING CIRCLE

What is Higher Access?

Higher Access is a 7-month online, facilitated group healing programme.

Each month we will come together in a safe, gentle space to focus on healing and transforming your inner world through the power of Divine Healing.

Divine Healing is a form of energy work that is able to get to the core of whatever is holding you back in life, quickly and effectively; identifying, clearing and releasing negative patterns so that you can move forward with greater ease and well-being.

We will be drawing down higher frequency energies to the issues that are causing you difficulty in your everyday life – whether that's within your inner self, your relationships, your career, or anything else.

We'll be working together to release:

- fears and phobias
- judgments and beliefs
- self-sabotaging patterns
- trauma release
- addiction programming
- weight, food and hunger programming
- physical ailments
- inner child issues
- abundance blocks
- negative relationship dynamics
- limiting behaviours
- survival programming

and other common core patterns that with Divine Healing you can move beyond.

Right now, many people feel alone and cut off from the support of a community. Because this work will take place within a closed-group setting, it offers you an opportunity to form new, enriching connections and friendships with like-minded people who are also on a personal development journey, and to gain support from others.

I regularly work with scores of people, but many people are having to wait a long time to reap the benefits of Divine Healing because there is a high demand for one-to-one sessions.

That's why I've created the Higher Access healing programme – to make this powerful healing modality accessible and affordable to as many people as possible.

Who is it for?

This healing circle is open to anyone who wishes to engage in deep inner work.

Perhaps there's an area of your life in which you feel stuck.

Or you feel overwhelmed, confused or uncertain.

Perhaps you're exhausted from constantly coming up against obstacles in your life that are difficult to overcome.

If you have a desire for profound inner change, then this programme will help you get there.

Ideally, you will:

- have experienced some form of healing or therapy already;
- be open to spiritual matters, as by its nature Divine Healing involves working with Higher Consciousness and the spiritual dimension, as well as the physical, emotional and mental aspects of your being.

To ensure the healing circle is right for you, you will be asked to fill in a questionnaire when you register your interest.

What are the benefits of joining?

By participating in Higher Access, you will be giving yourself an opportunity for unlimited inner transformation.

All change begins with the self. When we shift our own energy, we create a ripple effect that positively shifts and heals all aspects of our lives.

Is it time for you to expand into a new, higher, better version of yourself?

Working with Divine Healing will allow you to:

- cut through deeply entrenched issues and challenges much faster than is possible with traditional forms of therapy
- feel lighter, happier, more at ease with yourself and others
- find a new sense of inner confidence, trust, balance and serenity
- feel more empowered and hopeful about the future
- unearth the authentic you that is hidden underneath all the layers of baggage.

Take a look at how some of the people I've worked with have described their experiences.

"Divine Healing completely transformed my life. It got to the deepest core of my biggest fear in life which was holding me back from being my true self and transmuted it." GK

"The differences in my life were immediate – it was like a lightbulb switch being flicked." YO

“The benefit goes further than you as those you love who have come before you, stand with you, and will follow after you also receive the healing that is needed.” AO

“I am no longer the confused and lost girl that felt so stuck ... I have found that sense of fulfilment I've been looking for, for so long.” LI

What do I need to know?

This is a 7-month programme, and you will receive one group Divine Healing session per month over that period, over Zoom.

There are currently two groups running:

- a Friday morning group from 10am to 12noon on the first Friday of each month, and
- a Friday evening group from 7pm to 9pm on the second Friday of each month.

The morning and evening sessions are not interchangeable. When you register, you will be invited to select your preferred time of day and then asked to remain in that group for the duration of the programme.

Registration opens twice a year and closes before the sessions get underway.

You will need:

- a comfortable, quiet, private space where you'll be undisturbed
- somewhere you can lie down with a blanket
- a notebook/journal/paper and pen (for journalling)
- water to ensure you keep well hydrated.

Each month we'll be focusing on a particular topic. Prior to each session, you will receive email guidance with prompts for self-reflection. This will help you prepare for the session to ensure you get the most out of it.

Recordings will also be available if you're unable to attend any of the sessions so that you can complete the work in your own time. (The healing transmission works just as effectively this way.)

How much does it cost?

The fee for Higher Access is £420.

Compared to doing this type of healing work one-to-one, this represents a substantial saving.

A single Divine Healing session costs £120 for two hours.

The cost of 7 one-to-one sessions is £120 x 7, which comes to £840.

But you will get to experience the amazing benefits of Divine Healing for half the price.

So, you'll be receiving a lot of value at an affordable cost.

You have the option of either:

- making a one-off payment of £420
- or paying 7 monthly instalments of £60 (via a Paypal Subscription).

What do I do next?

If you're interested in joining, please email me at info@harinderghatora.co.uk and I will send you a questionnaire to complete prior to registering.

You are also welcome to contact me with any queries.

I look forward to hearing from you.
